

COACHING FOR STUDY ABROAD SUCCESS

Your English Score. Your University.
Your Global Future.

IELTS • PTE • Duolingo • GRE/GMAT
German • French

PREPARE WITH PURPOSE

Work toward the score required for your university and course — with expert guidance, individual attention and regular mock-test practice.

RESULT-FOCUSED • PERSONALIZED • PRACTICE-DRIVEN

From Target Score to Global Opportunity

Your English proficiency score can influence your university options and application journey. OEP focuses on structured preparation that helps students work toward their required score.

IELTS 8.0	IELTS 6.5	TARGET SCORE
A strong result that can support competitive study-abroad applications.	A commonly required benchmark for many international programs.	Preparation aligned with your course & university requirement.

What Makes OEP Different?

Certified & Experienced Trainers	Learn with trainers who understand proficiency-test formats, scoring and practical exam strategy.
Individual Attention	Training is adapted to the student's current level, target score and areas that need improvement.
Regular Mock Tests	Practice in exam-like conditions, track progress and build confidence before test day.
Detailed Feedback	Understand where marks are being lost and receive focused guidance to improve performance.
Speaking & Writing Evaluation	Get specific feedback on communication, structure, vocabulary, grammar and delivery.
Practice-Based Learning	Consistent practice, assignments and evaluation help turn preparation into measurable progress.
University-Oriented Preparation	Work toward the English-language score relevant to your intended university and course.

The OEP Student Journey

A clear preparation cycle designed to identify gaps, improve skills and build confidence.

01	ASSESS	Understand your current level and target score.
02	PLAN	Create a focused preparation path around your goal.
03	PRACTICE	Develop skills through guided lessons and regular practice.
04	MOCK TEST	Experience exam-style conditions and measure progress.
05	FEEDBACK	Identify mistakes and receive trainer-led improvement strategies.
06	TARGET	Build confidence and work toward the required score.

Courses Designed for Your Study-Abroad Goal
